Last year **1,291** members joined Chef Rewards to turn products they already used into rewards they love

In just 4 months, our members claimed:

- Over £5000 worth of high street vouchers
- Over 75 iPads, iPhones and iPods
- More than 20 knife sets
- Lots of chef jackets and other equipment for the kitchen
- Far too much chocolate!

The great news is from March 1st 2016 it's back, and it's **bigger** and **better** and the **potential to earn more is greater!**

Here's what some of our members said about the scheme...

"Thrilled that I can get something out of the scheme so easily"

"I got something for nothing, it's been amazing"

"At least I can get something worthwhile"

"A great idea, I switched to Hellmann's Mayonnaise and even bought extra to get the rewards I wanted"

"It really has been easy"
